CHECKLIST

Choosing Between Roof and Ground Tent

- [ ] List the terrain types you will encounter
- [ ] Count how many times you will move camp
- [ ] Measure your vehicle's current height
- [ ] Add the folded tent height to check clearance
- [ ] Assess how many people are travelling
- [ ] Confirm your roof bars can carry the tent's weight
- [ ] Check weather forecasts for high winds
- [ ] Inspect mounting bolts before each trip
