

CHECKLIST

Family Overland Safety Checklist

- ☐ Secure all loose objects in the cabin and roof rack
- ☐ Inspect child seat mounting points and harness anchors
- ☐ Check window nets or remove doors if crossing dense bush
- ☐ Pack oral rehydration salts and child-dose pain relief
- ☐ Identify safe stopping areas on the map before setting off
- ☐ Confirm route exits are passable before committing to main track
- ☐ Carry extra water beyond adult requirements
- ☐ Assign each child a role that connects them to the journey
- ☐ Plan stops every hour regardless of fuel or distance covered
- ☐ Test child seat installation on short rough section before long trip
